- Pack it away as you play. No one has to do the dishes!

Components

- 25 dessert dice
 - 6 dice in each of four different custom designs
 - 1 blank die
- 4 dessert-icon tiles
- 1 5x5 game board

Gameplay and Mechanics

Start by rolling all of the dice and assigning a secret dessert icon to each player.

On your turn, either place a die onto the board or move a die on the board by tipping it into an adjacent square.

The game ends immediately after all of the dice have been placed on the board.

You win if you have the biggest cluster of dice on which your dessert icon is displayed at the end of the game.
